## START YOUR ACTING CAREER NOW!

Join us, Olivia Simone and Gyton Grantley, for an intensive acting workshop. We are both NIDA graduates and have appeared in many tv shows including: *Underbelly*, *House Husbands*, *Winners and Losers*, *Dance Academy* and *All Saints*.

We will direct you in a MONOLOGUE throughout the 3 days that you will perform in front of an audience on the final day. Monologues are an essential tool for drama and theatre auditions.

You will be taught to act in front of a camera using tv scripts and commercials. Additionally, you will work on a tv or film scene that will be professionally filmed. At the conclusion of the workshop you will receive a high quality showreel to take home.

We will share practical tips on how to start your acting career. You will also have the opportunity to partake in a question and answer session. Get ready for an amazing 3 days with us!!!
