SERVICES EQUIPMENT HIRE

As part of their studies at CGGS students may need to use digital video cameras, digital cameras, SLR cameras and lenses, tripods and the associated power packs, leads and bags to complete course requirements. Students may, from time to time, need to borrow this equipment overnight or over a weekend.

Before students may borrow equipment overnight or over a weekend we ask that you accept full financial responsibility for any loss, theft or damage that may occur to any of the equipment while it is booked out to your daughter. By giving your permission you are also guaranteeing that the equipment will be returned at the time arranged.
