**PERMISSION FOR CANVAS**

The School seeks your permission to post students' work, photographs and videos in Canvas. You will find these galleries in your child’s class and group pages. Only students and parents of CGGS have access to this site.

If you would like any further information about Canvas please contact the School's e-Learning Coordinator Eric Roussel by email eric.roussel@cggs.act.edu.au

**PERMISSIONS FOR NAMES, PHOTOGRAPHS AND WORK TO BE USED FOR SCHOOL & PROMOTIONAL PURPOSES**

The School seeks your permission to use the work, photographs and the name of your child for the purpose of promoting the school to the wider community. Using the work of students to highlight the high standard of achievement we encourage at CGGS, along with photographs taken as part of the School's day to day activities, is an invaluable source of community relations material. The work and photographs could be used in School publications, advertisements, media releases or on the School's website. The photographs will be available to the students free of charge.

CGGS is committed to the protection of the privacy of our students. Any material collected will be solely used for the purposes referred to above, which are aimed at assisting the promotion of the School and the overall benefit of all students.

If you have any queries regarding this matter please contact the Community Relations Department on 02 6202 6416, fax 02 6273 2554 or email: communityrelations@cggs.act.edu.au
