EARLY LEARNING CENTRE

PERMISSION NOTE REGARDING BUS USE

Children at the Early Learning Centre frequently visit the Canberra Girls Grammar Junior School as part of regular routines and experiences. Visits to the Library, Music rooms and “buddy” classrooms are examples of such experiences.

These visits are not considered “excursions” as children remain on the Canberra Girls Grammar School site at all times. In most circumstances, children will walk to and from these experiences at the Junior School. However, in situations of unexpected inclement weather or other unforeseen circumstances, school buses may be used to transport children between the school campuses.

A risk assessment has been conducted regarding the use of buses in these circumstances and is available from the ELC Clerical Assistant should you wish to view it.
