Canberra Girls’ Grammar School participates in sporting activities such as Netball, Hockey, Basketball, Soccer, Touch Football and Waterpolo. This involves inter-school, after school and weekend fixtures where many students, including students from Canberra Girls’ Grammar School are involved.

While Canberra Girls’ Grammar School takes measures to make the sporting activities as safe as possible for participants, there is a risk that students can be injured and suffer loss (including financial loss) and damage as a result of their participation in these sporting activities, whether at training or in actual events.

Injury can occur while the students are engaging in, watching or travelling to and from a sporting activity. The injury may result from a student’s actions or the actions of others.

On some occasions, an injury can be serious (such as torn ligaments, dislocations, back injuries, concussion or broken bones). If a student has a pre-existing injury, participating in a sporting activity could result in an exacerbation of that injury.

Students could also suffer loss as a result of their personal property being lost, stolen, damaged or destroyed.
